The Meadows
Cheeky Chimps Childcare

Admissions policy

Our nursery has 64 full-time places for children from birth to 12 years old.

Places are equally available to all age groups, funded and private. Cheeky Chimps do not discriminate against any disability, minority, majority, race, or religion.

All places are subject to availability and staffing ratio and are allocated on a first come first serve basis.

- Nursery bookings must be of a minimum of 5 hours a day, 10 hours a week.
- School aged term time bookings must be a minimum of 3 sessions per week

No booking is guaranteed until the registration paperwork is completed and handed in, and you receive confirmation of your booking.

Failure to start at the agreed date may result in losing your place permanently at the nursery. If the notice period is not given you will still be required to pay for the place with the 4 weeks' notice starting from the day you confirm you will not be attending. For funding hours please note that the council claim periods close midway into a term so you would need to factor this in when giving notice

In cases where viewings for potential new starters are booked and not attended or constantly rearranged, the nursery may not enrol your child.

We require 4 weeks' notice for changes but may be able to accommodate changes earlier. Any absences, Holiday and sickness are still chargeable as per contract to reserve your child's space.

If specific care is required for your child, this must be declared in advance to ensure the setting has the training and capacity to support your child.

This includes but is not limited to.

- children needing 1-to-1 care
- children with medical conditions
- children require specialist care for feeding/medication etc
- children with diagnosis (ADHD, autism, etc)

Due to the training, and potential recruitment of extra staff required for this care, there may be a delay in the start date of your child.
