The Meadows

Cheeky Chimps Childcare

Outings/Visits

It is out policy to ensure that we are keeping children safe on outings by planning properly to ensure the safety and welfare of all children attending the outing.

Parents/carers will be given full details of any outings in advance and permissions will be requested to ensure you are comfortable with the specific trip.

All outings are pre-planned, and risk assessed to ensure we are keeping everyone safe.

Each outing will have an extra member of staff over the recommended ratio (more if the activity requires) to ensure safety.

We take with us everything we may need during the outing which will include:

- Emergency contact details for the parents.
- First aid kit and a first aider are always present. (All staff at the nursery are first aid trained or scheduled for their first aid training).
- Weather appropriate clothing.
- Sun hat & suncream
- Wellies/suitable shoes.
- Description of what your child is wearing
- Nappies/wipes/ changing bag (if needed).
- Mobile phone (the settings own).
- Drinks/ Healthy snack
- Clear directions to our destination
- Emergency money.
- Any medications the child has that day such as inhalers.

Outings will be planned with a learning intention but will also focus on teaching the children road safety and stranger danger.
