The Meadows
Cheeky Chimps Childcare

Smoking/vaping policy:

Within and around The Meadows nursery site, we have a no smoking or vaping policy. This is to protect children, visitors, and staff from second hand smoke and minimises the risk of fire hazards.

The Meadows asks that employees, volunteers, students, parents/carers and professionals must refrain from smoking/vaping on or around the premises. Staff, students, and visitors that are taking children or accompany children on outings must not smoke while they are caring for the children.

Staff are not to wear their nursery uniform/have their unform on show when smoking/vaping so no staff will smell of smoke when returning to the nursery. Staff must also demonstrate being a role model to the children and promoting healthy choices.

Staff must not charge vapes at the nursery. They must ensure that vapes are kept in their belongings in the staff room throughout their shift. Staff must also ensure that cigarettes or vapes are not visible to children when they are walking in or out of the building while children are present.
