The Meadows
Cheeky Chimps Childcare

British Values

The prevent duty guidance defines British values as ‘’Democracy’’ The Rule of Law, Individual Liberty and Mutual Respect and Tolerance for those with different faiths and beliefs. In our nursery we instil these values in children under our care in all the activities we undertake.

This policy should read alongside our Safeguarding Children Policy.

The Meadows will promote British Values in the setting by demonstrating them through the way we act and by promoting them through the activities and daily tasks that we perform across the seven areas of learning and development.

Promoting democracy through day-to day activities such as;

- Involving children in decision-making, for example what activities they would like to do through in the moment planning.

- Ensuring children take turns, for example during circle time answering questions etc.

Promoting the rule of law through day-to day activities such as;

- Discussing golden rules and ways in which they can help.

- Helping children to understand the difference between right and wrong.

Promoting individual liberty through day-to-day activities such as;

- Giving children choice I,e snack time would you like an apple or banana?

- Children having a choice of what toys and equipment they would like to play with. (Staff will ensure children feel safe and are in a supportive environment at nursery, so children feel they are free to give their opinion and have freedom of choice)

Promoting mutual respect for those with different faiths and beliefs through day-to-day activities such as;

- Talking to children about different religions and places of worship.

- Reading stories based on different communities.

- Celebrating different festivals and events throughout the year relevant to children attending the nursery.

- Having multicultural toys in the nursery
